5. Public comment -  
Kevin Johnson: Interested in the metrics and succession planning, how retention is impacted and how you plan to meet your metrics. Will continue to follow to see what the success factors are. How do we better communicate so the community knows to help the district with the needs?  
Nicky Broecker -Nicky Boecker commented on the Student Counselors, stating that they seem disengaged with the students. Example: A student asked what classes to take for a certain career and was told that he can take any classes he wants to take. I have also experienced that they do not respond to emails in a timely manner. Ms. Boecker asked for someone to look into this.

6. Motion to adjourn the meeting at 6:42 pm by Jared Ploger; seconded by Jadon Waller; all were in favor.
