## Total War/Propaganda Notes

### Propaganda Activity

Be sure to visit all of the propaganda posters with your partner. Answer the following questions for EACH poster you visit on a separate sheet of paper.

Describe what you see in the propaganda.

Who is the intended audience?

What techniques are being used to draw in the audience?

What emotions do the words used bring out?

On a scale of 1 (very ineffective) to 5 (very effective), rate the effectiveness of this propaganda? Why did you give the propaganda that rating?

What category does this fall into? Why? Could there be a different category?
