Principal Notes

Greetings Churchill Families,

Thank you for a successful start to the school year! Learning is alive at Churchill! The students have settled into their new classrooms and are engaged in their learning on a daily basis. Some questions you might want to ask your child(ren) each night are:

- What are you writing about in school?
- How do you show Respect to your classmates and the adults at Churchill? What is the Golden Rule?
- What did you read or was read to you in school today? What did you like about the story?
- What did you learn about in Math today? Did you understand it?

During the month of October, we celebrate the Character Counts! pillar of Respect. We remind students to demonstrate the Golden Rule, Treat Others the Way You Want to be Treated, on a daily basis. Remind your child(ren) to wear Character Counts! clothing or the color **yellow** on Wednesdays during the month of October to show Respect. All parents are invited to our Character Counts! Assemblies again this school year. We are once again excited to have our Character Crew involved in the assemblies. The next assembly is scheduled for **Thursday, November 3rd at 9:00 AM**. We are also looking forward to the many learning experiences that will take place and dress up days during Character Counts! Week, October 17th-21st. Be on the lookout for more details.

Your child's academic growth and success is of the utmost importance to the staff at Churchill. We have completed the initial STAR Assessments in Reading and Math school-wide and are using the data collected to inform our instruction, intervention, and enrichment for our students. Please refer to <http://doc.renlearn.com/KMNet/R0054872491706A8.pdf> for a Parent's Guide to STAR Assessments for further information. Individual student reports will be coming home soon.

Thanks to Mrs. Hussain-Shah, Mrs. McCarthy-Lange, Mrs. Meyers, and Mrs. Xagas for your participation in our first Muffins with Mrs. Harmon for the school year! I enjoyed our conversation and appreciate your support of our students and our school. All parents and guardians, please mark your calendars for the next Muffins with Mrs. Harmon on Monday, March 6th at 9:00 AM.

Please remember to join our Home and School Association, which provides enhancements to our students' learning opportunities at Churchill every day. Thank you for partnering with us for our students' success! Your support of the Churchill Challenge and pledges are greatly appreciated and help to support your child(ren)'s learning.

Thank you so much for supporting our school when patronizing local businesses! Churchill's August Culver's Night generated \$266.91 and September Rosati's Night generated \$133.01 for our school! Previous dollars earned from these events assisted in a recent purchase of 64 Chromebooks for student use.

Halloween is just around the corner! Keep in mind safety and appropriateness when selecting your child's costume. Additional guidelines regarding the festivities and costumes will be coming home soon.

We appreciate the strong home and school connection that has been established at Churchill and look forward to continuing to build on this relationship to best benefit our students.

Sincerely,

Tammie Harmon

CHARACTER COUNTS!sm

CHARACTER COUNTS! Every day at Churchill School!!

Get ready for another phenomenal year here at Churchill Elementary School! We are so excited to see our students continuing to show the six pillars of CHARACTER COUNTS!: Trustworthiness, Respect, Responsibility, Fairness, Caring and Citizenship. During the school year, we will be focusing on a different pillar each month.

This year we will be celebrating the pillars with four quarterly assemblies focused on multiple pillars of character, and students will be receiving Character Counts! lessons in various classrooms each month. The Character Counts! Assembly for this quarter is highlighting the pillars of Respect (October) and Caring (November).

The month of October will highlight the pillar of **RESPECT**. The CHARACTER COUNTS! program teaches us that respectful people display the following behaviors:

- They treat others with respect
- They follow the Golden Rule (Treat others the way you want to be treated)
- They are tolerant of differences and consider people's feelings
- They use good manners, not bad language
- They don't threaten, hit or hurt anyone
- They deal peacefully with anger and disagreements

We would also love for you to help us by reinforcing the pillars of good character at home through using the language of CHARACTER COUNTS! and providing positive reinforcement when you notice your child displaying good character. The Churchill Behavior Expectations Handbook has a "Character at Home" chart in the back that you can use as a reference if you are unfamiliar with the language. Also, students can show their CHARACTER COUNTS! support by wearing yellow each Wednesday for the month of October.

Churchill Elementary had a successful third annual District 308 Food Drive for the Kendall County Food Pantry, collecting over 16,775 items.

Nurse's Notes

Welcome Back, Mustangs! I hope everyone enjoyed their summer and is ready for another exciting school year! To start the year, I would like to remind you of very important dates for the calendar, regarding required paperwork.

- **Physicals:** All students entering **Kindergarten** are required by the state of Illinois to have an updated physical, with a complete, and up to date, immunization record. Exams must be dated after August 17, 2015. Please make sure the Health History portion is completed and signed as well. This paperwork must be received by Friday, October 14, 2016.

Exclusion date is Saturday, October 15, 2016!

- **Vision:** All students entering **Kindergarten** are required to have an eye exam by Saturday, October 15, 2016, and must be dated after August 17, 2015. Forms must be completed, signed by an optometrist or ophthalmologist, and returned to school.
- **Dental:** All students entering **Kindergarten & 2nd grade** are required to have a dental exam by Monday, May 15, 2017. Exam must be dated after Monday, November 15, 2015. Please return dental forms to school, when complete.

Please contact Nurse Kim if you have any questions regarding required or missing paperwork. For convenience, your dentist or physician may fax/email missing paperwork directly to me.

“**Back to School**” for kids, has a much different meaning than for parents! Sharing is sharing when it comes to kids, but parents know this means germs, communicable diseases, & lice, too! Please remind your child about healthy habits like washing hands, sneezing/coughing in elbows, and NOT sharing combs, brushes, hairbands, hats, etc.

Regularly checking your student for lice, helps prevent outbreaks. Here are some helpful tips:

- Be alert to red bite marks or sores on the scalp, behind the ears or on the neck.
- Be alert to excessive scratching of the scalp.
- Check your child’s hair and scalp regularly.
- Do not allow your child to use other children’s combs, brushes or hair accessories or hats.
- Inform the building nurse if your child has lice.
- Hats, combs, brushes, hair accessories, all linens including pillows, and fabric furniture in the home or automobile should be cleaned thoroughly. Launder all clothing worn in the last 48 hours by the infected person.
- Treat your family with a medicated shampoo if you find head lice. After the shampoo, you can remove dead nits (eggs) with a special fine tooth comb or with your fingernails by sliding them off the hair shaft. Most products require a repeat treatment in 7-10 days. Repeated infestations may require a physician’s prescription.

Please be aware that mosquitos are out in full force! I have had many students missing valuable class time, seeking relief for “itchy” mosquito bites. Remember to apply mosquito repellent if you are going outside. Mosquitos dehydrate quickly and therefore avoid the heat of the sun. They are most active at dusk when temperatures cool and the sun starts to set.

- If your child sustains mosquito bites, you may want to treat them prior to school, increasing their comfort, and minimizing lost classroom time. Please reinforce scratching will only intensify the itching. Even simple scratching, can cause small openings in the skin, introducing bacteria which may lead infection.

DON'T FORGET....If your student has a medical condition that may require emergency medication to be administered, please make sure you have provided the school with the following:

- The medication(s)
- Medication Authorization Form(s) – 1 per medication
- Emergency Action Plan(s)

**If your student’s allergies have changed and no longer require emergency medications or plans, please notify the school so our records may be updated.

Athena Dental is returning to Churchill on Monday, October 17th! A 2-sided form was sent home last week. If you wish to have your student see the dentist, please complete **both** sides, **sign** and return the form as soon as possible.

The Nurse’s Office is accepting donations!! Because the weather is still nice, I am in need of gently used boys/girls shorts and pants. As the seasons change, so will my needs. Boys and girls underwear always comes in handy too!

Thank you in advance for considering an item to donate ☺

Label Redemption Program

Box Tops monthly contests are under way! The class that submits the most Box Tops each month will win the traveling trophy! As the winner, that class will get to proudly display the trophy in its classroom and get a class picture with the trophy for display in the school. The trophy will contain prizes for the class. Please submit Box Tops taped to a collection sheet

(www.boxtops4education.com/about/collection-sheets) or in Ziploc bags of 50 or less. Make sure you include the teacher's name so the class gets credit. The next month's contest ends October 28th.

Please submit your Box Tops so we can get FREE money for our school!

FYI - The Labels For Education program is ending soon. If you have any labels with the "Labels For Education" logo, please send them in so we can do a final submission.

Thank you for your continued support of these programs!

Greetings Families of Churchill Elementary School

Churchill Elementary school has partnered with Crossfit Oswego to host the 2nd annual Churchill Challenge. Beginning the week of September 12th, the students will spend time focusing on fitness and nutrition during PE and special assemblies, leading up to the event on September 30th, 2016 where students will rotate through an obstacle course hosted by Crossfit Oswego.

Throughout the 1 month event, the Churchill Home & School Association asks students to collect pledges which will be used to support classroom requests, new technology, books, and other items that greatly benefit the students throughout the year. This is the only fundraiser event throughout the school year where ALL money raised will go directly to our school thanks to the generosity of local sponsors.

Prizes will be awarded to each student and all students participate in the event, even if you choose not to participate in the fundraising efforts. Individual, classroom and grand prizes will be awarded throughout the event based on fundraising efforts.

Register early – Earn a free round of Glow Mini-golf and participate in the School Assembly!

Each student will be provided a pledge form with instructions in their Friday take home folders. The pledge form provides information on how to register online to create your student's personal Free Fundraising page through our partner www.thegetmovincrew.com. Families have the option to register online to collect pledges, use the provided pledge form or both.

- Churchill HSA encourages students to register online and create their personal Free Fundraising page. Register on or before September 21st and your student will be entered in a drawing for 5 students to participate in the Churchill Challenge Kickoff School assembly with CrossFit Oswego Elite demo team held on September 22nd.
- All students registered on or before Friday, September 30th will receive a coupon for a free round of Glow mini-Golf at Fore Family fun!

Our goal this year is to exceed last year's fundraising event. If every student collects \$50 in pledges throughout the event, we will meet our goal. However, in the spirit of promoting "Follow Your Dreams" we want to exceed our goal and reach for new heights!

How to Register Students Online and create a Personal Free Fundraising Page:

1. Go to www.thegetmovingcrew.com and select **Get Registered Parent Login**

The page includes a 'WHAT IS TGMC?' section, a 'PARENTS & DONORS' section with links to 'TIPS & TRICKS', 'HACKS & TIPS & FAES', and 'HONOR PAWS', and a 'School Admin Login' section.

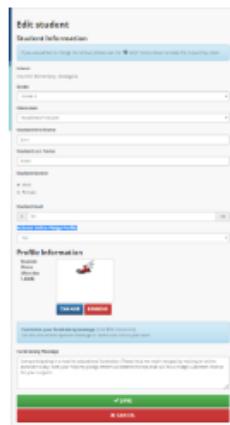

2. If it's the first time you've created an online account, Press the **Click Here To Register**.

If you participated in the online fundraiser last year, enter your email address and account password in the **Blue Login**

*Note: You can reset your password from last year by pressing the **Forgot your Password**.

3. Select your School, Grade, & Classroom. Add your child's name & gender. Upload a photo is optional. Student goal and Fundraising Message are already added. **Click Save once completed**

4. The Student Dashboard will appear with options to share fundraising page via social media or email.

Add another student, Employer match download and View Student web page is located here.

5. Click on the **View Web Page/Donate Here** from the Student Dashboard to view Student fundraising webpage to share.

Churchill Challenge 2016

Accept the Challenge!

Churchill Elementary Home and School (HSA) has partnered with Crossfit Oswego to host the 2nd Annual Churchill Challenge Fitness Fundraiser event on Friday, September 30th. Our theme this year is to "Follow Your Dreams" and we encourage the students and families to exceed our goal and reach for new heights! This is the only fundraiser event throughout the school year where ALL money raised will go directly to our school thanks to the generosity of several local sponsors.

Challenge Yourself – Checklist

- Students attend the kick-off assembly during school on **Thursday, September 22nd** and learn about the Event and prizes
- Register for the fundraiser (online or printed pledge form)
- Share my Student webpage or pledge packet with Friends & Family
- All Students participate in the Churchill Challenge Fitness Challenge on **Friday, September 30th** wearing our theme t-shirt
- Reach my Donation/Pledge Goal by **October 21st, 2016**
- Achieve Pledge Superhero Status
- Send a "thank you" message to my donors
- Get a good night's sleep the evening before the event
- Eat a well-balanced breakfast the morning of the event

Power Boost

- Fuel your mind and body
- Daily activity goal = 10,000 steps
- Exercise gives you energy!
- A healthy body = A healthy mind
- Achievement Creates Self Confidence

We Need Your Support!

Our school is having a Fall Fundraiser. The pledge packet has all the details of our event and why we are raising funds.

The most important thing you can do is help your child to reach their pledge goal through small or large flat donations. All donations must be received by October 21st to be included in the grand prize and classroom prize drawings.

Step 1: Get registered online via the instructions in this packet.

Step 2: Share the fundraising page with friends and family near and far.

Step 3: Help your child reach the pledge goal and go on to Superhero status.

In order to be successful and provide the extras for all students, we need your support. Thank you!

Pledge Options

1. **Easy online pledging:** www.thegetmovincrew.com
(See attached for instructions).
2. **Cash and check pledges:** Fill out the form and return to Churchill Elementary. Checks should be payable to Churchill Home and School
(In-school donation will merge with online donations and effect pledge meters.)

All pledges (online and printed form) must be submitted no later than October 21st to be included in the grand prize and classroom prize drawings

Notes from the Music Room...

The school year is off to a great start—I can't believe that October is here already! It actually felt pretty chilly this morning! I always look forward to the cool, crisp fall weather!

The students in 1st – 4th grades have been having lots of fun learning to keep the steady beat during the month of September by playing instruments, creating hand jives, playing movement games, and singing many fun songs. The 5th grade students have been working on a unit on Songs of the American Railroad.

During the month of October, the first graders will be finishing their unit on steady beat and beginning to learn about musical opposites (loud/soft and fast/slow). The second grade classes will be learning how to create, perform and notate rhythms using quarter notes, quarter rests, two eighth notes, half notes and half rests. The third grade students will also begin reviewing the rhythms that they learned in second grade and adding the dotted half note, whole note and whole rest. The fourth graders will be going even further and adding eighth note triplets and a pattern called a “syn-co-pa” (eighth-quarter-eighth notes). Fourth graders will also be learning traditional notation on a staff with measures and time signatures as they write their own rhythms.

The 5th graders have just begun working on their musical which is a tribute to our nation's veterans and will be performed for family and friends on Thursday evening, November 10th at 7:00 p.m., and at a Veterans Day assembly at 9:30 a.m. on Friday, November 11th, for our staff, students, and veteran guests. Each family is encouraged to invite any veterans or active duty members of the military that you know to the morning activities on November 11th. We will also again be collecting donations for Operation Care Package to support those soldiers and sailors who currently serving overseas during the holidays. Detailed information about these activities will be sent home with your students during the month of October. This is such a great event to honor those who have served or are serving our country to protect the freedoms we enjoy. I hope that you will all mark November 10th and 11th on your calendar and plan to attend. Please watch for the details to come home with your child around the middle of October!

“To stop the flow of music would be like the stopping of time itself, incredible and inconceivable.” (Aaron Copland, American composer, 1900-1990)

-- Julie Van Camp, Music Teacher

From the P.E. Department

We will be very busy in Physical Education. We will work on our grip and throws with a football. We learned how to pass and catch the ball effectively and ended the unit with games such as Bamboozle 'Em, Shook Ball, and Ultimate Football. Each grade learned how to catch scarves, eventually working up to trying to juggle. We will switch our focus to running and fleeing in our tag activities. A whole week will be devoted to some fun Halloween games including a spooky dance, knocking down witch hats, and playing Ghost in the Graveyard.

In November the students will complete and compete in gymnastic stations which work on several types of health-related components such as strength, endurance, and flexibility. Towards the end of the month we will be turning our focus to Thanksgiving while talking about healthy eating over the break. Thanks for checking in!

From the Art Room...

The start to a new year brings busy artists in the art room, and students are getting into the fall spirit in their art creations.

1st grade has been creating fall themed artworks. Combining watercolors and crayons in their artwork, first graders created happy fall scarecrows with many fall theme details. Students learned how shapes are used to create many different details on the scarecrow's body.

In October, first graders are going to learn about the famous artist Piet Mondrian and his well-known abstract paintings that used straight lines, squares and rectangles, and the primary colors. They will also create their own Mondrian style paintings, using the three main Mondrian style elements in their art masterpieces.

2nd grade learned about the famous artist Henri Rousseau, and his exotic jungle paintings. Second grade students then created their own Rousseau inspired artworks with large jungle cats surrounded by many jungle plants and hidden animals.

Coming up in October second grade students will be creating mixed up animal monsters based off the book "Where the Wild Things Are". For this project students will create monsters using three or more animal body parts or animal pattern details. After coming up with their own unique monsters they will combine the use of oil pastels with watercolor for the colorful finished piece.

3rd grade students celebrated the 'International Dot Day' in September. International Dot Day is inspired by the book "The Dot" by Peter Reynolds. For their own 'dot' art third grade learned about the abstract artist Wassily Kandinsky and how he used colorful dots to create many of his well-known art pieces. In honor of fall, third graders are creating their own unique colorful fall trees, which have colorful Kandinsky style circles for leaves.

In October, third grade students will be inspired by the famous Vincent Van Gogh painting Starry Night when they create their own starry night pumpkin patch masterpieces. Third grade students will be using oil pastels for the Starry Night sky, creating the Van Gogh effect with their coloring technique. To add a new twist from the Starry Night painting students will be creating a fall inspired pumpkin patch illuminated by their starry night designs.

4th grade students learned about the life and art of American artist Grant Wood. Fourth grade students then created their own Grant Wood inspired farm country landscapes combining bright markers with watercolors in their masterpieces.

Coming up in October, students will be learning about the festive celebrations and traditions of Mexico's Day of the Dead taking place at the end of the month. Fourth grade students will be creating their own sugar skull design artwork that focused on the symmetrical and very detailed designs of the traditional sugar skulls that are found only around this special time of year.

5th grade, students have been creating bright, eye catching animal paintings in honor of Hispanic Heritage month, inspired by the traditional folk art of Mexico known as Amate Paintings. This traditional artwork of Mexico features bright stylized animals, flowers, and designs taken from the Mexican culture and art.

In October, fifth grade students will be learning about the famous Pablo Picasso and his cubist art style. Fifth grade students will put a Halloween theme twist on the traditional cubist style portraits that made Picasso so well known. Choosing from the traditional Halloween characters students will use the cubist ideas of adding multi-views of the subject into one portrait, which results in a new twist on Halloween.

Marker Recycling in the Art Room

Did you know that those old, dried out markers can be transformed into clean-burning fuel? Crayola Corporation has launched a green initiative, "Crayola ColorCycle," that encourages K-12 schools throughout North America to save their old dried up markers to send in to be recycled into useable energy. This year in the art room we are continuing to collect old dried up markers to contribute to this environmental friendly cause. If you have any old markers you would like to donate please send them with your child to school to be add to the donation box in the art room. Any marker brand can be donated, including dry erase markers and highlighters. One box of markers can create enough energy to cook an egg, make toast, and brew a pot of coffee! Let's see how many markers Churchill can collect this year to continue to help make a positive environmental difference!
