

## **Operational Services**

### **Food Services**

The Superintendent or a designee shall establish a food service program that complies with this policy and is in alignment with School Board Policy 6:50, *School Wellness*. Food or beverage items sold to students as part of a reimbursable meal under the School Breakfast Program or the National School Lunch Program must consist of nutritious, well-balanced, and age-appropriate meals that reflect food and nutrition requirements specified by the U.S. Dept. of Agriculture. The type and amounts of food and beverages sold to students before school and during the regular school day in any school that participates in the School Breakfast Program or the National School Lunch Program shall comply with any applicable mandates in the Illinois State Board of Education's School Food Service rule and the federal rules implementing the National School Lunch Act and Child Nutrition Act.

Specifically, food service rules shall restrict the sale of foods of minimal nutritional value as defined by the U.S. Department of Agriculture in the food service areas during the meal periods.

All revenue from the sale of any food or beverages sold in competition with the School Breakfast Program or National School Lunch Program to students in food service areas during the meal period shall accrue to the nonprofit school lunch program account.
