The staff development program shall include the Abused and Neglected Child Reporting Act (ANCRA), School Code, and awareness and prevention of child sexual abuse and grooming behaviors (Erin's Law) training as follows (see policies 4:165, Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors, and 5:90, Abused and Neglected Child Reporting):

2. Within three months of employment, each staff member must complete mandated reporter training from a provider or agency with expertise in recognizing and reporting child abuse. Mandated reporter training must be completed again at least every three years.
3. By January 31, 2023, and every year after, all school personnel must complete evidence-informed training on preventing, reporting, and responding to child sexual abuse, grooming behaviors, and boundary violations.

The staff development program shall provide, at a minimum, at least once every 2 years, the in-service training of licensed school personnel and administrators on current best practices regarding the identification and treatment of attention deficit disorder and attention deficit hyperactivity disorder, the application of non-aversive behavioral interventions in the school environment, and the use of psychotropic or psychostimulant medication for school-age children.

The staff development program shall provide, at a minimum, once every 2 years, the in-service training of all District staff on educator ethics, teacher-student conduct, and school employee-student conduct.
