The feature works as follows. When a parent clicks the **Pay fees** button under a student, just like before, the system presents the option to pay everything at once or pay the fee balance partially. If a parent chooses to pay the balance partially, the system offers to enroll in monthly payments. Parent can choose one of three days to make the automatic payments on: 1st, 10th or 20th.

Payment information

Total amount for 3 item(s)   **$190.00**

○ I choose to pay $190.00 today
● I request assistance in the form of partial payments

Prepay from the student's Wallet

Balance: $30.75   0.00
