ELIGIBILITY AND EFFECTIVE DATES

Who is eligible for this insurance?

The following people are eligible: All active Full-time and Part-time Employees, excluding Employees of the Oswego Transportation Association

The Waiting Period is shown in the Schedule of Benefits.

00001

When does Your Noncontributory insurance become effective?

If You are an eligible Employee, Your Noncontributory coverage under the Policy will become effective on the day following completion of the Waiting Period, if any, shown in the Schedule of Benefits, provided You are Actively at Work on that day.

If You waive all or a portion of Your Noncontributory coverage and choose to enroll at a later date, You are considered a late applicant and must furnish Evidence of Insurability satisfactory to Us before coverage can become effective. Coverage will become effective on the date We determine that the Evidence of Insurability is satisfactory and We provide written notice of approval.

You must be Actively at Work for coverage under the Policy to become effective. If, because of Injury or Sickness, You are not Actively at Work on the date the insurance would otherwise take effect, it will take effect on the day You return to Active Work.

Noncontributory means the Policyholder pays 100% of the premium for this insurance.

00002

Who pays for Your coverage?

The Policyholder pays the entire cost of Your coverage.

00008

Do You have to pay premium while You receive benefits?

We will waive premium for You during a period of Disability for which the LTD Monthly Benefit is payable under the Policy. Premium payment is required during Your Elimination Period or any other period when the LTD Monthly Benefit is not payable under the Policy.

00009

What happens if We are replacing an existing Policy? (Continuity of Coverage)

Effect on Actively at Work requirement

If You were insured under the Prior Policy on the day before the Policy Effective Date, You may be covered by the Policy even if You do not satisfy the Actively at Work requirement as stated in the When does insurance become effective? provision and You would otherwise be eligible to become insured under the Policy, We will provide limited coverage under this Plan. Coverage under this provision will begin on the Policy effective date and will continue until the earliest of:

1. The end of the month following the date You become Actively at Work;
2. The end of any period of continuance or extension provided under the Prior Policy; or
3. The date coverage would otherwise end, according to the provisions of the Policy.

Your coverage under this provision is subject to payment of premium.

Effect on Benefits

If You do not satisfy the Actively at Work requirement, You may still be eligible for benefits under the Policy as follows:

The benefits payable under the Policy will be the benefits which would have been payable under the terms of the Prior Policy if it had remained in force; and the benefits payable under the Policy will be reduced by any benefits payable under the Prior Policy for the same Disability for which the prior carrier is liable.

The **Prior Policy** is the group disability insurance policy issued to the Policyholder by ***Reliance Standard Life Insurance*** whose coverage terminated immediately prior to the Policy Effective Date.

Effect on Pre-existing Conditions

If You have a Disability due to a Pre-Existing Condition after the Prior Policy has been replaced by this Plan, Benefits may be payable if:

1. You were insured under the Prior Policy at the time the Policyholder changed coverage from the Prior Policy to the Policy; and
2. You have been continuously insured under this Plan from the effective date of this Plan until the date Your Disability began.

In order for benefits to be paid, You must satisfy the Pre-Existing Condition exclusion under:

1. this Plan; or
2. the Prior Policy, if benefits would have been paid had the Prior Policy remained in force.

If You satisfy the Pre-Existing Condition exclusion of this Plan, We will determine Your payments according to this Plan's provision.

If You do not satisfy the Pre-Existing Condition exclusion of this Plan, but You do satisfy the Pre-Existing Condition provision under the Prior Policy:

1. Your Monthly Benefit will be the lesser of:
 - a. The Monthly Benefit that would have been payable under the terms of the Prior Policy if it had remained in force; or
 - b. The Monthly Benefit under this Plan.
2. Benefits will end on the earlier of:
 - a. The date benefits end under the Policy, as described under the Maximum Period Payable; or
 - b. The date benefits would have ended under the Prior Policy if it had remained in force.

If You do not satisfy the Pre-Existing Condition exclusion under either this Plan or the Prior Policy, We will not make any payments.

We will require proof that You were insured under the Prior Policy.

00010

LONG TERM DISABILITY BENEFITS

How do We define Total Disability?

Total Disability or **Totally Disabled** means that during the first 24 consecutive months of benefit payments due to Sickness or Injury;

1. You are continuously unable to perform the Material and Substantial Duties of Your Regular Occupation, and
2. Your Disability Earnings, if any, are less than 20% of Your pre-disability Indexed Monthly Earnings.

00011

After the LTD Monthly Benefit has been paid for 24 consecutive months, Total Disability or Totally Disabled means that due to Injury or Sickness:

1. You are continuously unable to engage in any Gainful Occupation, and
2. Your Disability Earnings, if any, are less than 20% of Your pre-disability Indexed Monthly Earnings.

00013

How do We define Partial Disability?

Partial Disability or **Partially Disabled** means that:

1. During the Elimination Period You are unable to perform all of the Material and Substantial Duties of Your Regular Occupation.
2. During the first 24 consecutive months of benefit payments, due to Injury or Sickness You are unable to perform all of the Material and Substantial Duties of Your Regular Occupation, and Your Disability Earnings, if any, are at least 20% but less than or equal to 80% of Your pre-disability Indexed Monthly Earnings.
3. After the LTD Monthly Benefit has been paid for 24 consecutive months Partial Disability or Partially Disabled means that due to Injury or Sickness, You are unable to engage in any Gainful Occupation; and Your Disability Earnings, if any, are at least 20% but less than or equal to 80% of Your pre-disability Indexed Monthly Earnings.

00014

Loss of Professional License or Certification

If You require a professional license or certification for Your occupation, loss of that professional license or certification does not in and of itself constitute Disability.

00017

What is the Elimination Period and how is it satisfied?

The Elimination Period is a period of continuous Disability which must be satisfied before You are eligible to receive benefits from Us. It is shown in the Schedule of Benefits and begins on Your Date of Disability.

If You temporarily recover and return to work, We will treat Your Disability as continuous if You return to work for a period of less than or equal to one-half the Elimination Period rounded up to the next whole number, not to exceed 90 days. The days that You are not Disabled will not count toward Your Elimination Period.

If You return to work for a period greater than one-half the Elimination Period, or 90 days, whichever is less, and become Disabled again, You will have to begin a new Elimination Period.

00018

Can You satisfy Your Elimination Period if You are working?

You can satisfy Your Elimination Period if You are working, provided You meet the definition of Disability.

00019

What Disability Benefit are You eligible to receive?

If You are Disabled, You are eligible to receive one of the following at any given time:

1. an LTD Monthly Benefit;
2. a Work Incentive Benefit; or
3. Rehabilitation Incentive Income.

While You are Disabled, You might be eligible to receive one or the other of the above, but You cannot receive more than one of these benefits at the same time.

00020

What is Your LTD Monthly Benefit and how is it calculated?

Your LTD Monthly Benefit will be based on Your Monthly Earnings as reported to Us by the Policyholder and for which premium has been paid.

An LTD Monthly Benefit will be payable after the end of the Elimination Period if You are Disabled. We will calculate Your Gross LTD Monthly Benefit amount as follows:

1. Multiply Your Monthly Earnings by 60%.
2. The maximum Gross LTD Monthly Benefit is \$6,000.00.
3. Compare the answers from Item 1 and Item 2. The lesser of these two amounts is Your Gross LTD Monthly Benefit.
4. Subtract the Deductible Sources of Income from Your Gross LTD Monthly Benefit. The resulting figure is Your Net LTD Monthly Benefit.
5. Compare the answer from item 3 and 4.

The lesser amount figured in item 5 is Your Monthly Benefit.

If a benefit is payable for less than one month, it will be paid on the basis of 1/30th of the Net LTD Monthly Benefit for each day of Disability.

00021-A

How do We define Monthly Earnings?

Monthly Earnings means Your gross monthly income from Your Employer in effect just prior to Your Date of Disability. It includes Your total income before taxes and any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan, or flexible spending account. It does not include income received from commissions, bonuses, overtime pay, any other extra compensation, or income received from sources other than Your Employer.

Earnings, whether for a full year or partial year, will be converted to a monthly amount for the purpose of calculating the Monthly Benefit.

00022

What are the Deductible Sources of Income?

1. Disability benefits paid, payable, or for which You are eligible under:
 - a. The Social Security Act, including any amounts for which Your dependents may qualify because of Your Disability;
 - b. Any Workers' Compensation or Occupational Disease Act or Law, or any other law which provides compensation for an occupational Injury or Sickness;
 - c. Occupational accident coverage provided by or through the Policyholder;
 - d. Any Statutory Disability Benefit Law;
 - e. The Railroad Retirement Act;
 - f. The Canada Pension Plan, Quebec Pension Plan, or any other similar disability or pension plan or act;
 - g. The Canada Old Age Security Act;
 - h. Any Public Employee Retirement System Plan, or any State Teachers' Retirement System Plan, or any plan provided as an alternative to any of the above acts or plans;
 - i. Title 46, United States Code Section 688 et seq (The Jones Act);
 - j. Title 33, United States Code Section 901 et seq (Longshore and Harbor Workers' Compensation Act).
2. Disability benefits paid, payable, or for which You are eligible under:
 - a. Any group insurance plan provided by or through the Policyholder, and
 - b. Any sick leave or salary continuance plan provided by or through the Policyholder which causes the Net Monthly Benefit, plus Deductible Sources of Income and any salary continuation to exceed 100% of Your pre-

disability Indexed Monthly Earnings. The amount in excess of 100% of Your pre-disability Indexed Monthly Earnings will be used to reduce Your Net Monthly Benefit.

3. Retirement benefits paid under the Social Security Act including any amounts for which Your dependents may qualify because of Your retirement;
4. Retirement and Disability benefits paid under a Retirement Plan provided by the Policyholder except for amounts attributable to Your contributions;
5. Disability benefits paid under any No Fault Auto Motor Vehicle coverage;
6. Amounts received from a third party (after subtracting attorney's fees) by judgment, settlement or otherwise, not to exceed 50% of the net settlement.

Proration of Lump Sum Awards

If any Deductible Source of Income described above is paid in a single sum through compromise settlement or as an advance on future liability, We will determine the amount of reduction to Your Gross LTD Monthly Benefit as follows:

1. We will divide the amount paid by the number of months for which the settlement or advance was provided; or
2. If the number of months for which the settlement or advance is made is not known, We will divide the amount of the settlement or advance by the expected remaining number of months for which We will provide benefits for Your Disability based on the Proof of Disability which We have, subject to a maximum of 60 months.

What other sources of income are not deductible?

We will not reduce Your Gross LTD Monthly Benefit by any of the following:

1. deferred compensation arrangements such as 401(k), 403(b) or 457 plans;
2. credit disability insurance;
3. pension plans for partners;
4. military pension and disability income plans;
5. franchise disability income plans;
6. individual disability income plans;
7. a Retirement Plan from another Policyholder;
8. profit sharing plans;
9. thrift or savings plans;
10. individual retirement account (IRA);
11. tax sheltered annuity (TSA);
12. stock ownership plan.

00023

Can You work and still receive benefits?

While Disabled, You may qualify for the Work Incentive Benefit or Rehabilitation Incentive Income, but not both.

Work Incentive Benefit

A Work Incentive Benefit will be payable if You are Disabled and Gainfully Employed after the end of the Elimination Period, or after a period during which You received LTD Monthly Benefits.

The Work Incentive Benefit will be calculated during the first 12 months of disability payments while You are Gainfully Employed as follows:

1. The Gross Monthly Benefit amount and Disability Earnings amount will be added together and compared to pre-disability Indexed Monthly Earnings.
2. If the total amount in Item 1 exceeds 100% of pre-disability Indexed Monthly Earnings, the Work Incentive Benefit amount will be equal to the LTD Monthly Benefit reduced by the amount of the excess.
3. If the total amount in Item 1 does not exceed 100% of pre-disability Indexed Monthly Earnings, the Work Incentive Benefit will be equal to the LTD Monthly Benefit amount.

After the first 12 months of disability payments while You are Disabled and Gainfully Employed, the Work Incentive Benefit will be equal to the Monthly Benefit amount reduced by 50% of Disability Earnings.

The Work Incentive Benefit will cease on the earliest of the following:

1. the date You are no longer Disabled; or
2. the end of the Maximum Period Payable.

Rehabilitation Incentive Income

Rehabilitation Incentive Income will be payable after the end of the Elimination Period, or after a period during which You received LTD Monthly Benefits. This benefit is payable if You are Disabled and Gainfully Employed in an occupation that has been approved as part of a Rehabilitation Plan.

Rehabilitation Incentive Income will be calculated during the first 12 months of Gainful Employment as follows:

1. If Disability Earnings exceed 100% of pre-disability Indexed Monthly Earnings, Rehabilitation Incentive Income will be equal to the Monthly Benefit reduced by the amount of the excess.
2. If Disability Earnings do not exceed 100% of pre-disability Indexed Monthly Earnings, Rehabilitation Incentive Income will be equal to the Monthly Benefit.

After the first 12 months of Gainful Employment, Rehabilitation Incentive Income will be equal to the LTD Monthly Benefit reduced by 50% of Disability Earnings.

Rehabilitation Incentive Income will cease on the earliest of the following:

1. as stated in the Rehabilitation Plan;
2. the date You fail to comply with the requirements of the Rehabilitation Plan;
3. the date You are no longer Gainfully Employed; or
4. the end of the Maximum Period Payable.

00024-B

What is the minimum Net LTD Monthly Benefit payable under the Policy?

The Net LTD Monthly Benefit payable for Disability will not be less than \$100 or 10% of Your Gross LTD Monthly Benefit, whichever is greater. The minimum Net LTD Monthly Benefit does not apply if You are Gainfully Employed.

00025

What happens if Your Deductible Sources of Income increase?

The Net LTD Monthly Benefit will not be further reduced for subsequent cost-of-living increases which are paid, payable, or for which You or Your dependents are eligible under any Deductible Source of Income shown above.

00026

How long will You receive benefits under the Policy?

We will send You a payment for each month of Disability up to the Maximum Period Payable as shown in the Schedule of Benefits. Payment of benefits is also subject to any benefit duration limitation pertaining to Your Disability.

00027

What happens if Your Disability recurs?

If Disability for which benefits were payable ends but recurs due to the same or related causes less than 6 months after the end of a prior Disability, it will be considered a resumption of the prior Disability. Such recurrent Disability shall be subject to the provisions of the Policy that were in effect at the time the prior Disability began.

Disability which recurs more than 6 months after the end of a prior Disability is subject to:

1. a new Elimination Period;
2. a new Maximum Period Payable; and
3. the other provisions of the Policy that are in effect on the date the Disability recurs.

Disability must recur while Your coverage is in force under the Policy.

00028

EXCLUSIONS AND LIMITATIONS

What are the exclusions and limitations under the Policy?

The Policy does not cover any loss or Disability caused by, resulting from, arising out of or substantially contributed directly to by any one or more of the following:

- a Pre-existing Condition;
- commission of, participation in, or an attempt to commit an assault or felony;
- Intentionally self-inflicted injuries;
- attempted suicide, regardless of mental capacity;

- Substance Abuse – A Substance Abuse (drug or alcohol) related Disability unless You are participating in a Substance Abuse treatment program approved by the State where the treatment program is provided. The cost of the treatment program must be borne by You or another group plan of the Policyholder (such as a group health plan or Employee Assistance Program) if one is available and covers this type of treatment.

Except as specifically stated above, in no event will LTD Monthly Benefits for a Mental Disorder or Substance Abuse be paid beyond the earliest of the date:

1. 24 LTD Monthly Benefit payments have been made; or
2. the Maximum Period Payable is reached; or
3. You refuse to participate in an appropriate, available treatment program, or You leave the treatment program prior to completion; or
4. You are no longer following the requirements of Your treatment plan under the program; or
5. You complete the initial treatment plan, exclusive of any aftercare or follow-up services.

The lifetime cumulative Maximum Period Payable for all disabilities due to a Mental Disorder and Substance Abuse is 24 months. Only 24 months of benefits will be paid for any combination of such disabilities even if the disabilities:

1. are not continuous; and/or
2. are not related.

Furthermore:

- Benefits are not payable for any period during which You are confined to a penal or correctional institution if the period of confinement exceeds 30 days.
- Benefits are not payable if Your Disability Earnings exceed 80% of Your pre-disability Indexed Monthly Earnings.
- Benefits are not payable during the first 24 months of LTD Monthly Benefits, when You are able to return to work in Your Regular Occupation on a part-time basis but You do not.
- Benefits are not payable after 24 months of LTD Monthly Benefits, when You are able to work in any Gainful Occupation on a part-time basis but You do not.

00029-IL

TERMINATION OF COVERAGE

When will Your insurance terminate?

Your coverage will terminate on the earliest of the following dates:

1. the date on which the Policy is terminated;
2. the date You stop making any required contribution toward payment of premiums;
3. the date on which the Employer's participation under the Policy is terminated; or
4. the date You:
 - a. are no longer a member of a class eligible for this insurance,
 - b. request termination of coverage under the Policy,
 - c. are retired or pensioned, or
 - d. cease work because of a leave of absence, furlough, layoff, or temporary work stoppage due to a labor dispute, unless We and the Policyholder have agreed in writing in advance of the leave to continue insurance during such period.

Termination will not affect a covered loss which began while the coverage was in force.

00030

Will coverage be continued if You are eligible for leave under FMLA?

In the event You are eligible for and the Policyholder approves a leave under the Family and Medical Leave Act of 1993 (FMLA), or any applicable state family and medical leave law (State FML), provided the required premium continues to be paid, Your insurance will continue for a period of up to the later of:

1. the leave period permitted by the federal Family and Medical Leave Act of 1993 and any amendments; or
2. the leave period permitted by applicable state law.

While granted a Family or Medical Leave of Absence:

1. The Policyholder must remit the required premium according to the terms of the Policy; and
2. coverage will terminate if You do not return to work as scheduled according to the terms of Your agreement with the Policyholder.

00031

Will coverage be continued if You are eligible for leave under USERRA?

If You are on a leave of absence for active military service as described under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) and applicable state law, Your coverage may be continued until the end of the later of:

1. the length of time the coverage may be continued under the Certificate for an FMLA or State FML leave of absence; or
2. the length of time the coverage may be continued under the Certificate of Coverage for a leave of absence other than an FMLA or State FML leave of absence.

00032

Will coverage be continued for other leaves of absence?

If You are on an approved leave of absence other than an FMLA or State FML leave of absence, and if premium is paid, Your coverage will be continued through the end of the month that immediately follows the month in which Your leave of absence begins.

If the Policyholder has approved more than one type of leave of absence for You during any one period that You are not Actively at Work We will consider such leaves to be concurrent for the purpose of determining how long Your coverage may continue under the Policy.

If Your coverage is not continued during an FMLA or State FML leave of absence, and You become Actively at Work immediately following the end of Your FMLA or State FML leave of absence, Your coverage will be reinstated. We will not apply a new Waiting Period, require Evidence Of Insurability, or apply a new Pre-existing Condition limitation.

If Your coverage is not continued during a leave of absence for active military service, and You return to active employment, Your coverage may be reinstated in accordance with USERRA and applicable state law.

In no event will Your coverage under the policy be continued beyond the date Your coverage would otherwise end according to the terms of the When will Your insurance terminate? provision.

00049-IL

Can You assign Your benefits?

Your benefits are not assignable, which means that You may not transfer Your benefits to anyone else.

What will happen if a claim is overpaid?

A claim overpayment can occur when You receive a retroactive payment from a Deductible Source of Income when We inadvertently make an error in the calculation of Your claim; or if fraud occurs. The overpayment amount equals the amount We paid in excess of the amount We should have paid under the Policy.

We have the right to recover from You any amount that is an overpayment of benefits under the Policy. You must refund to Us the overpaid amount. We may also, without forfeiting Our right to collect an overpayment through any means legally available to Us, recover all or any portion of an overpayment by reducing or withholding future benefit payments, including the Minimum Monthly Benefit.

In an overpayment situation, We will determine the method by which the repayment is made. You will be required to sign an agreement with Us which details the source of the overpayment, the total amount We will recover and the method of recovery. If LTD Monthly Benefits are suspended while recovery of the overpayment is being made, suspension will also apply to the minimum LTD Monthly Benefits payable under the Policy.

Subrogation - Right of Reimbursement

When any claim payment is made, We reserve any and all rights to subrogation and/or reimbursement to the fullest extent allowed by statute and customary practice. Any party to this contract shall not perform any act that will prejudice such rights without prior agreement with Us. We will bear any expenses associated with Our pursuit of subrogation or recovery.

No agent has the right to change the Policy or to waive any of its provisions.

Legal Actions

Clerical error or omission by Us to the Policyholder will not:

1. Prevent You from receiving coverage, if You are entitled to coverage under the terms of the Policy; or
2. Cause coverage to begin or coverage to continue for You when the coverage would not otherwise be effective.

If the Policyholder gives Us information about You that is incorrect, We will:

1. Use the facts to decide whether You have coverage under the Policy and in what amounts; and
2. Make a fair adjustment of the premium.

Misstatement of Age

If Your age has been misstated, an equitable adjustment will be made in the premium. If the amount of the benefit is dependent upon Your age, as shown in the Benefit Duration Schedule, the amount of the benefit will be the amount You would have been entitled to if Your correct age were known.

Note: A refund of premium will not be made for a period more than twelve months before the date the Company is advised of the error.

Incontestability

The validity of the Policy shall not be contested, except for non-payment of premiums, after it has been in force for two years from the date of issue. The validity of the Policy shall not be contested on the basis of a statement made relating to insurability by any person covered under the Policy after such insurance has been in force for two years during such person's lifetime, and shall not be contested unless the statement is contained in a written instrument signed by the person making such statement.

Conformity with State Statutes and Regulations

If any provision of the Policy conflicts with the statutes and regulations of the state in which the Policy was issued or delivered, it is automatically changed to meet the minimum requirements of the statute.

Workers' Compensation or State Disability Insurance

The Policy is not in place of, and does not affect the requirements for coverage by any workers' compensation or state disability insurance.

Agency

Neither the Policyholder, any employer, any associated company, nor any administrator appointed by the foregoing is Our agent.

General Provisions

We have the right to inspect all of the Policyholder's records on the Policy at any reasonable time. This right will extend until:
