

## **Employee Assistance Programs**

Oswego Community Unit District 308 is committed to the complete well-being of its employees, and to this end we are partnering with Dearborn National to provide a comprehensive Employee Assistance Program. The employee assistance program is a voluntary, confidential service that provides professional counseling and referral services designed to help with personal, job, or family related problems. These services can help you and your family members identify, resolve, and gain control over personal problems that may be interfering with work and daily life.

For more information on the services provided by the Employee Assistance Program please click on the links below:
