

October 21st, 2022

Dear Parents/Guardians,

It is hard to believe that October is halfway over and the leaves continue to change and fall. On Friday October 28th, we will be hosting a fall festival for our EVA monthly incentive. Students will have the opportunity to make Carmel apples, decorate their classroom doors, paint pumpkins, and trick or treating around the building.

As we approach the end of October it would be beneficial to check in with your student or your child's case manager regarding their current grades and academic standing.

As weather changes please make sure, your child is dress accordingly for weather conditions. Students do outside for recess (grades K-5), breaks and at times for other reasons.

During our recent school improvement day, the staff received some additional training on implementing trust circles. Circles are part of an initiative to build and foster positive classroom communities. Throughout the year, our staff will continue to receive training on this initiative.

Important Upcoming Dates:

Picture Re-takes, Monday October 24th

Election Day Tuesday, November 8th No school for all students
