2020-21: A Year of Quotes

At the end of every Friday Update, we provide a quote...sometimes it relates to one of the informational items, sometimes it pertains to the time of the year, sometimes it is motivational/inspirational, and sometimes it is just a "quote". We thought you might enjoy taking a look back at all the quotes that have been shared this school year. [Click here for 2020-2021: A Year of Friday Update Quotes.](#)

Mask Guidance

At this time, IDPH and ISBE have not changed their guidance regarding face coverings in the school setting. - When eating;
- When outdoors and physical distancing of at least 6 feet can be maintained;
- When playing a musical instrument outdoors with at least 6 feet social distancing;
- If using a face shield when other methods of protection are not available or appropriate;
- When staff is alone in a classroom or office with the door closed; and/or
- When there is an approved mask exemption form on file indicating a medical need.
