When there is a student that matches your certification and location, you will be contacted, provided the student's information, and the opportunity to accept the job. Operating Rate Referendum for Oswego Community Unit School District 308

A referendum will appear on the ballot in Kendall, Kane and Will Counties on April 2, 2019.

What is the purpose of this referendum?

The referendum provides funds needed to pay for the cost of operating the district on a day-to-day basis including staff costs, building operations, classroom supplies and materials, and transportation costs. Fiscal year 2020 will mark the fourth year our district will be faced with reductions in expenses and increases in revenue in an effort to reach a balanced budget.
