

# ENVISION 308

DRAFT

**Mission Statement:** Together, we empower, support, and challenge all students to thrive along their unique educational journey.

## Student Learning

We provide an educational foundation for all students grounded in best instructional practices focused on social emotional learning and academic achievement.

## Support for Student Learning

We improve the safety and inclusivity of our diverse school environments by centering on equity and amplifying student voice.

## Climate & Culture Statement:

The foundation of our district is built on a positive culture of trust.

## Finance & Facilities

We equitably allocate resources for programs and facilities that proactively empower every student to succeed while maintaining fiscal sustainability.

## Community Partnerships

We grow and strengthen the district by communicating, partnering, and celebrating with all stakeholders.
