

Vision Insurance

CUSD 308 offers employee vision coverage through VSP.

No cards are needed to access this benefit. Simply notify your Vision service provider that you have VSP Vision coverage. If your provider is a VSP Network provider, they can confirm your coverage and bill VSP directly. If your provider is not in the VSP Network, you will need to pay at the point of service and submit a claim for reimbursement.

To create and register an account, find a network provider, review your benefits information register at <https://www.vsp.com/>

Client ID: 30106749

Employee Insured ID: Employee Name and Social Security Number

<https://www.vsp.com/>

1.800.877.7195

NOTE: If you've received eye care services from an out-of-network provider, you may need to submit a claim to request reimbursement at: <https://www.vsp.com/claims/submit-oon-claim>
