

## *April Staff Member of the Month*

Congratulations to Ms. Rodino for being selected as Southbury's April Staff Member of the Month!

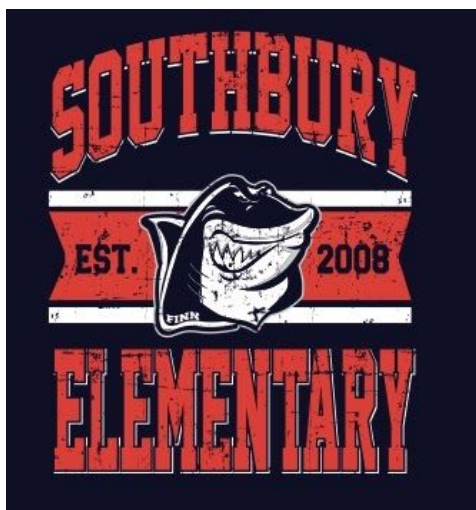

Ms. Rodino has been a part of the Shark Family for many years. Currently, Ms. Rodino serves as a teacher assistant for Southbury and supports many different classrooms in the building to ensure kids are learning and growing! Everyone in the building always takes note and appreciates how helpful Ms. Rodino is on a daily basis!

Everyday at Southbury, Ms. Rodino can be seen throughout the building and helping kids in a variety of ways. In fact, if you took a stroll through the building, you could see her reteaching kids a key reading skill, providing instructional support in math, see in a classroom working closely with a teacher, or making sure the kids are safe and having fun at recess! For our parent-drop off every morning, she's often the first staff member you see when pulling up to Southbury. She knows all of our Sharks and greets them upon arrival, too!

Ms. Rodino is someone who is greatly valued at Southbury, and a person who all of us know and love whether we are a staff member, parent or student!

When not at Southbury, Ms. Rodino is all about her family and she loves to spend time with her daughters. Also, she always loves to relax and read a good book!

One interesting fact about Ms. Rodino, is that she is a huge Cubs fan! Despite their 108 years of losing, she never wavered as a fan and was there to celebrate their World Series Championship in fashion. In fact, she attended the World Series Parade back in 2016!
