

## *March Staff Member of the Month*

Congratulations to Mrs. Witcpalek for being selected as Southbury's March Staff Member of the Month!

Mrs. Witcpalek has been a part of the Shark Family for many years. Currently, Mrs. Witcpalek serves as Southbury's K-5 Library Media Specialist. She helps to ensure all of the Sharks are reading, helps teach our students many things involving digital literacy, stays up with the current trends of new novels and texts, makes sure our library is the best in District 308 (which it is, thanks to her!), coordinates the book fair and much, much more! In fact, you might have seen her, or her husband, at the Culver's on Route 34 during a Culver's Night as they are the proud owners, too.

When not at Southbury, Mrs. Witcpalek is all about her family and she loves to spend time with her family. Also, she always loves to relax and read a good book!

One interesting fact about Mrs. Witcpalek, is that this fall she found the famous Black Witch Moth, native to South America, and typically found in Central America or Southern U.S. States. She learned that this moth migrated all the way up to Oswego, Illinois and settled inside of her garage! The moth was a whopping 7 inches wide, too!

*Here are a few more fun tidbits about Mrs. Witcpalek:*
