Re: FOIA Request Dated January 4, 2016 and received January 6, 2016

Subject: A request for records showing the following information:

- A list of Mathematics and Science Textbooks used (Title and Publisher).
- The Grade each textbook is used in.
- Which version of the book is used (e.g. Illinois, national, Common Core).
- The year the textbook was first used (e.g., 2004-05).

Dear Dr. Polikoff:

This letter will serve as Community Unit School District 308's response to your January 4, 2016 request under the Freedom of Information Act (5ILCS 140/1 et seq.), in which you asked for the above referenced information. The information responsive to your request is attached.

To promote district transparency and assist others who may have a similar question, this responsive document will be posted online on the district's website. To access it, go to www.sd308.org and select *Our District > Freedom of Information Act Request > FOIA Request Responses*, then select *FOIA ID #16-3*.

Please be advised that to comply with your FOIA request, the district incurred the expense of **\$144.00** comprised of the cost of labor and resources used to search for records responsive to your request. You are not legally required to reimburse the district for the amount incurred.

Please let me know if you have additional questions. Thank you.

A handwritten signature in black ink, appearing to read "Brian Graves", written over a horizontal line.

Brian Graves
Freedom of Information Officer

Per Assistant Director of Elementary Education:

We do not have a science textbook at K-5. We use district science kits based on Foss Science 2.0.
