Re: FOIA Request Dated November 13, 2018 and received November 14, 2018

Subject: Any and all transcripts regarding communication between Michele (Thorson) Dittman and the school board.

Dear Mr. Ferracuti:

This letter will serve as Oswego Community Unit School District 308's response to your November 13, 2018 request under the Freedom of Information Act (5 ILCS 140/1 et seq.), in which you asked for the above referenced information.

The search performed on email communications from 07/01/14 through 01/31/15 resulted in no records responsive to the above request. We do not have access to archived emails prior to these dates because the previous archive system (Postini) is no longer available.

To promote district transparency and assist others who may have a similar question, this responsive document will be posted online on the district's website. To access it, go to [www.sd308.org](http://www.sd308.org) and select *Our District > Freedom of Information Act Request > FOIA Request Responses*, then select *FOIA ID #18-58*.

Please let me know if you have additional questions. Thank you.
