8. Amount of staff FTE for TPI programming allocated to each school listed by school. (See table below.)

Students who qualify under the TPI Program are serviced through two instructional program models: English as a Second Language (ESL) and Sheltered English Instruction (SEI). ESL and SEI teachers deliver these services. The district's SEI instructional model is housed at Old Post Elementary School. At Murphy Junior High School, two content courses are delivered through SEI.

There are buildings that meet the threshold for TBE programming (20 or more students with the same language background). These buildings are assigned Bilingual Support staff who provide Spanish instructional support and deliver ESL instruction (as

appropriate -based on student needs and teacher caseload). Teachers at Brokaw Early Learning Center have the endorsement to service English learners in their classroom. This is the reason there are buildings with an allocation of "0" as its FTE. The table below outlines the details requested. The asterisk denotes buildings with Bilingual Support staff.

There are three schools in the district servicing students who qualify for the TBE Program under the Dual Language instructional program model. There is one staff member at Plank Junior High who provides instruction in the Dual Language Program, as well as in Bilingual Support and English as a Second Language (ESL) instruction. The table below provides the details requested. The asterisk denotes the building with the teacher serving students under multiple instructional models.
