

Wheatlands Weekly 5/5/2023

Note from TW's Leadership:

Hello TW Parents and Families,

May has officially arrived and I cannot believe we are nearing the end of what has been the best school year of my career! Please know that so much fun and learning is yet to be had at The Wheatlands! I ask, humbly, that you continue to set your children up for success by ensuring they are on time and ready to learn these last 16 days! We look forward to finishing our school year strong and ensuring that each student is ready to progress to their next grade level and adventure!

All the best,,

Mr. Garrett Fair, gfair@sd308.org

Interim TW Principal

Staff Appreciation Week - May 8 through 12

Come along as the PTO hosts a trip around the world for the TW Staff next week. We are looking for parent support of donations of items, food, drinks, and money if that is easier for your family. You can donate to the PTO via Zelle or Paypal using our email thewheatlandsppto@gmail.com

We are especially in need of dessert for Wednesday and Friday, but see all details and sign up here to bring something in to make it extra special:

For food that doesn't require refrigeration, you can bring the week of May 8th on or prior to the date needed. For fresh food, please bring the day it will be used.

In case you want to stick with the theme, here are ideas for each day to help show each staff member how much we appreciate them:

- Monday is baggage claim: Bring in an essential travel item for your teacher: teacher supplies, caffeine, etc.
- Tuesday is for pampering: Think of ways to pamper your teachers,

perhaps a candle, a GC to their favorite store, nail salon etc.

- Wednesday is taking the staff around the world: Bring in a snack or drink from your favorite part of the world
- Thursday is in flight snacks: Bring each teacher their favorite snack
- Friday is welcome home day: Bring something that will remind teachers of home or help them improve their home or TW classroom (their home away from home).

Field Day

Mr. Barry has another great Field Day planned for students on Tuesday, May 23rd, with a rain date May 24th. Volunteers are the key to making the day a success.
