

The Husky Herald

Friday-May 5, 2023

Good afternoon Homestead families,

As a reminder-It is that time of year when we seek feedback about your child(ren)'s placement for the following school year. Please see the [attached form](#) with specific details on what we are looking for and how to get this information back to our office. This is optional. If you choose to fill this out, it will give our team additional information on how to best place each student for the 23-24 school year. **All forms are due back by Friday, May 12.** Please let me know if you have any questions.
