

# Pre-Observation Form - Nurse | Certified Nurse

DAC

**Grade Levels:**

**Subject: Type of Lesson:**

**Learning Outcomes:**

**Component Focus:**

**Observer:** Lisa Smith

**Pre-Observation Conference:**

**Scheduled Classroom Observation:**

**Post-Observation Conference:**

**Rubric:** Nurse

Complete the following information prior to your pre-observation conference and bring any handouts that you will be using in your lesson that is being observed.

**What is the nursing program objective?**

**What specific standard(s) (Illinois or National) will be addressed in this lesson? Explain specifically how this standard(s) will be targeted.**

**How does this program fit into the broader scope of the overall function of the nursing department?**

**Describe the strategies and/or learning activities that students will participate in during this program objective.**

**How do you plan to formatively assess proficiency of the desired learning outcome(s)?**

**Describe the summative assessment that will be used to assess the concepts and skills in this program objective.**

**Describe the individual or unique characteristics and/or circumstances within the composition of the district that impact your planning?**

**Is there any specific area on which you would like feedback? (e.g. pacing, transitions, etc.)**
